The Board of Trustees of Kimball Township adopts the 2014-15 fiscal year general fund budget by cost center. Township officials responsible for the expenditures authorized in the budget may expend township funds up to, but not to exceed, the total appropriation authorized for each cost center, and may make transfers among the various line items contained in the cost center appropriation. However, no transfers of appropriations for line items related to personnel or capital outlays may be made without prior board approval by budget amendment.

### **Section 7: Appropriation not a Mandate to Spend**

### **Section 8: Transfer Authority (if desired)**

The Chief Administrative Officer shall have the authority to make transfers among the various cost centers (or line items) without prior board approval, if the amount to be transferred does not exceed (\$500.00) or (5%) of the appropriation item from which the transfer is to be made, whichever is less. The Board shall be notified at its next meeting of any such transfers made, and reserves the right to modify, amend or nullify any such transfers made. Under no circumstances may the total general fund budget be changed without prior board approval.

The fiscal officer shall transmit to the board at the end of each of the first three quarters, and at the end of each month occurring during the fourth quarter, a report of financial operations, including, but not limited to:

**Section 11: Budget Monitoring**

Whenever it appears to the Chief Administrative Officer or the Township Board that the actual and probable revenues in any fund will be less than the estimated revenues upon which appropriations from such fund were based, and when it appears that expenditures shall exceed an appropriation, the Chief Administrative Officer shall present to the township board recommendations to prevent expenditures from exceeding available revenues or appropriations for the current fiscal year.
